About Us

We are a third-year high school robotics team from **Dr. Norman Bethune Collegiate Institute**, a public high school in Toronto. We are the **ONLY public Ontario school** advancing to the world stage. It is our first year qualifying for the FTC World Championship, representing Canada on the international level. To continue to make our efforts possible, we kindly ask for your support!

What is *FIRST*?

FTC (FIRST Tech Challenge), founded in 2005, inspires students to innovate through robotics, building STEM skills, teamwork, and problem-solving.
